PASTOR RECOMMENDATION

Family Name: _____

Address: _____

Global Outreach is a student exchange program which welcomes Catholic students from five countries in central and northern Europe (Czech Republic, Hungary, Latvia, Lithuania, and Slovakia) to study in Midwestern Catholic high schools for one year. The program requires students to be practicing Catholics with a strong faith, age appropriate. At the same time, Global Outreach places students with American Catholic families who are also practicing Catholics with a commitment to supporting the faith life of the students.

One of the families from your parish has volunteered to be a host family for a Global Outreach student. The directors of the program would appreciate a letter of recommendation from you as their pastor. In particular, we are interested in knowing the following:

Are the members of this family practicing Catholics (do they attend Mass on a weekly basis and participate in the sacramental life of the Catholic Church?)?

Are the members of this family involved in other aspects of parish life and/or in the mission of the Church beyond the parish?

Do the members of this family live a good moral life, living according to the principles of Catholic Christianity?

Are the members of this family capable of providing a healthy, safe and secure home environment for a Global Outreach student?
